The Buyback is subject to such other approvals and permissions, as may be required from statutory, regulatory or governmental authorities under applicable laws.

## **8. NECESSITY FOR THE BUYBACK**

Share buyback is the acquisition by a company of its own shares. The objective is to return surplus cash to the shareholders holding equity shares of the Company. Buyback is a more efficient form of distributing surplus cash to the shareholders holding equity shares of the Company *inter alia* for the following reasons:

- (i) The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding thereby enhancing the overall return for them;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of up to 15% of the equity shares, which the Company proposes to buyback, for small shareholders or the actual number of Equity Shares entitled as per the shareholding of small shareholders on the Record Date. The Company believes that this reservation for small shareholders would benefit a significant number of the Company's public shareholders, who would get classified as "Small Shareholders";
- (iii) The Buyback is generally expected to improve return on equity and improve earnings per share by reduction in the equity base of the Company, thereby leading to long term increase in shareholders' value;
- (iv) The Buyback gives an option to the Eligible Shareholders to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment; and
- (v) The Buyback will help in achieving an optimal capital structure.

## **9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY**

- 9.1 We believe that the Buyback is not likely to cause any impact on the profitability or earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. In the event that there is full acceptance of the Equity Shares tendered in the Buyback from Eligible Shareholders on a proportionate basis, the funds

deployed by the Company towards the Buyback would be ₹ 227.50 crore (Rupees Two Hundred and Twenty Seven Crore Fifty Lakhs Only) excluding transaction costs incurred or to be incurred for the Buyback. This shall impact the investment income earned by the Company, on account of reduced amount of funds available for investments.

- 9.2 The Buyback is not expected to impact growth opportunities for the Company.
- 9.3 The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.

## 19.6 Record Date, Ratio of Buyback as per the Buyback Entitlement of each category

19.6.1 The Buyback Committee on June 26, 2019 has fixed Friday, July 12, 2019 as the Record Date for the purpose of determining the entitlement and the names of the Equity Shareholders, who are eligible to participate in the Buyback Offer.

19.6.2 The Equity Shares proposed to be bought back by the Company shall be divided in two categories:

- (i) Reserved category for Small Shareholders (“**Reserved Category**”); and
- (ii) General category for all Eligible Shareholders other than Small Shareholders (“**General Category**”)

19.6.3 As defined under Regulation 2(i)(n) of the Buyback Regulations, a “Small Shareholder” is a Shareholder who holds Equity Shares whose market value, on the basis of closing price on Stock Exchanges as on Record Date, is not more than ₹ 2,00,000/- (Rupees Two Lakh only). As on the Record Date, the closing price on NSE, having the highest trading volume, was ₹ 130.45 (Rupees One Hundred Thirty and Four Five paise only) per Equity Share, accordingly all Shareholders holding not more than 1,533 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.

19.6.4 Based on the above definition, there are 76,450 Small Shareholders with aggregate shareholding of 1,59,87,040 Equity Shares, as on the Record Date, which constitutes 6.55% of the outstanding number of Equity Shares of the Company and 81.32% of the maximum number of Equity Shares which are proposed to be bought back as part of this Buyback Offer.

19.6.5 In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be 19,50,000 Equity Shares which is higher of:

- (i) Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of 1,30,00,000 Equity Shares which works out to 19,50,000 Equity Shares; or
- (ii) The number of Equity Shares to which the Small Shareholders are entitled, as per their shareholding as on Record Date i.e.  $[(1,59,87,040 / 24,42,06,795) \times 1,30,00,000]$  which works out to 8,51,048 Equity Shares.

All the outstanding fully paid up Equity Shares have been used for computing the entitlement of Small Shareholders.

19.6.6 Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, 19,50,000 Equity Shares have been reserved for Reserved Category and accordingly, the General Category for all other Eligible Shareholders shall consist of 1,10,50,000 Equity Shares.

19.6.7 Based on the above, the entitlement ratio of Buyback for both categories is decided as below:

## 19.7 Category Entitlement Ratio of Buyback

Category	Entitlement Ratio of Buyback*
Reserved Category	5 Equity Shares out of every 41 fully paid-up Equity Shares held on the Record Date
General Category	26 Equity Shares out of every 537 fully paid-up Equity Shares held on the Record Date

*\*The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number than the Buyback Entitlement printed in the Tender Form due to rounding-off. The actual Buyback Entitlement for Reserved category for Small Shareholders is 12.1973798777009% and General category for all other Eligible Shareholders is 4.841824494991680%.*

## 19.8 Fractional entitlements

If the entitlement under Buyback, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share) then the fractional entitlement

shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 8 or less Equity Shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholders to the extent possible and permissible.

#### 19.9 **Basis of acceptance of Equity Shares validly tendered in the Reserved Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- 19.9.1 Full acceptance (100%) of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- 19.9.2 Post the acceptance as described in paragraph 19.9.1 above, in case, there are any Shares left to be bought back from the Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of fractional entitlement), and have tendered additional Shares, shall be given preference and one Equity Share each from the additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- 19.9.3 Post the acceptance as described in paragraph 19.9.1 and 19.9.2, in case, there are any validly tendered unaccepted Shares in the Reserved Category (“**Reserved Category Additional Shares**”) and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Eligible Shareholder shall be equal to the Reserved Category Additional Shares tendered by the Eligible Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.9.1, shall be reduced by one.
- 19.9.4 Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.9.3, will be made as follows:
  - (i) For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is greater than or equal to 0.50 (point five zero), then the fraction would be rounded off to the next higher integer.
  - (ii) For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

### **19.13 Clubbing of Entitlement**

In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies, etc. with a common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body – broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

A person who is an Indian tax resident is liable to taxation in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act.

A person who is treated as a non – resident for Indian Income-Tax purposes is generally subject to tax in India only on such person's India accrued income or income received by such person in India or income deemed to accrue/ arise in India. Any gains arising to a non – resident on transfer of Equity Shares of an Indian Company should be taxable in India under the Income Tax Act. Further, the non – resident can avail the beneficial provisions of the Double Tax Avoidance Agreement (DTAA) between India and the respective jurisdiction of the shareholder subject to meeting relevant conditions and providing and maintain necessary information and documents as prescribed under the Income Tax Act.

The Income Tax Act also provides for different tax regimes/ rates applicable to the gains arising on buyback of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary of tax implications on buyback of listed equity shares on the stock exchange is set out below. - Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of individuals (BOI)
- Companies
- Co-operative Societies

**b. Non Resident Shareholders being:**

## CLASSIFICATION OF INCOME

Shares can be classified under the following 2 (two) categories:

- a. Shares held as investment (income from transfer taxable under the head “Capital Gains”)
- b. Shares held as stock-in-trade (income from transfer taxable under the head “Profit and Gains from Business or Profession)

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for tax purposes, depending upon whether such shares were held as a capital asset (held as investment) or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterization of income arising from sale of shares has been a subject matter of litigation with the tax authorities. The Central Board of Direct Taxes has issued Circular no. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as his business income. Also, if such shares are held for a period of more than 12 months, and the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same shall not be put to dispute by the Tax Officer, however, this stand, once taken by the taxpayer in a particular Assessment Year, shall remain applicable in subsequent Assessment Years also and the taxpayers shall not be allowed to adopt a different/contrary stand in this regard in subsequent years.

Further, investments by foreign portfolio investors/ FIIs in any securities in accordance with the regulations made under the Securities Exchange Board of India Act, 1992 would be treated as capital asset under the provisions of the Income Tax Act.

## SHARES HELD AS INVESTMENT

As per the provisions of the Income Tax Act, where the shares are held as investments, income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on buyback of shares of a company are governed by the provisions of Section 46A of the Income Tax Act and would attract capital gains in the hands of shareholders as per provisions of Section 48 of the Income Tax Act. Exemption under section 10(34A) of the Income Tax Act is not applicable to buy back of shares of listed companies. The provisions of buy back under Section 115QA in Chapter XII-DA of the Income Tax Act do not apply for shares listed on the stock exchange.

For non - residents, capital gains would be subject to taxability under the Income Tax Act or beneficial provisions of applicable Double Taxation Avoidance Agreement (“DTAA”), whichever is more beneficial. However, in order to avail the benefits of DTAA, the non-resident shareholder shall obtain the certificate referred to in sub-section (4) of section 90 of the Income Tax Act and shall also furnish the prescribed particulars referred to in sub-section (5) of section 90 of the Income Tax Act.

### Period of holding

Depending on the period for which the shares are held, the gains would be taxable as “short term capital gain” or “long term capital gain”:

- In respect of equity shares held for a period of less than or equal to 12 months prior to the date of transfer, the same shall be treated as a short term capital asset, and the gains arising there from shall be taxable as “short term capital gains” (“STCG”).
- Similarly, where equity shares are held for a period of more than 12 months prior to the date of transfer, the same shall be treated as a long- term capital asset, and the gains arising there from shall be taxable as “long – term capital gains” (“LTCG”).

### **Buy back of shares through a recognized stock exchange**

Since the buyback is undertaken on the stock exchange, such transaction is chargeable to Securities Transaction Tax (“STT”). STT is a tax payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian Stock Exchange. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of security.

Where transfer of such equity shares (i.e. buyback) is through a recognized stock exchange & subject to STT, then the taxability will be as under (for all categories of shareholders):

With effect from April 1, 2018, buyback of equity shares (which is subject to STT) will be taxable as LTCG in accordance with the provisions of section 112A of the Income Tax Act.

- LTCG will be the difference between the consideration paid by the Company on buyback of equity shares and the ‘specified cost of acquisition’ of such shares
- The ‘specified cost of acquisition’ of the equity shares which are acquired prior to February 1, 2018 will be the higher of:
  - i. the cost of acquisition of equity shares and
  - ii. Lower of— (a) the fair market value of equity shares; and (b) the full value of consideration received or accruing as a result of the transfer of the equity shares.
- Fair market value is defined to mean the value as on January 31, 2018 which is the highest price of the equity shares quoted on the stock exchange.
- Long Term Capital Gains tax from such transactions will be charged @ 10% under section 112A of the Income Tax Act. However, long term capital gains from such shares up to a maximum of ₹ 1,00,000/- during the financial year is exempt from tax.
- Where Section 112A is not applicable, LTCG will be chargeable to tax for resident Individuals at 20% with indexation or at 10% without indexation, along with the rebate as is applicable.
- In the case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax (i.e., basic exemption limit) is required to be considered while computing LTCG or STCG taxable under section 111A or 112A of the Income Tax Act.
- STCG arising from such transaction would be subject to tax @ 15% under Section 111A of the Income Tax Act.

In addition, surcharge (at the applicable rates if income exceeds certain limits) and health and education cess @ 4% is applicable.

Further, resident corporate shareholders would also be subject to Minimum Alternate Tax (“MAT”) under section 115JB of the Income Tax Act at the rate of 18.50%. Foreign companies will not be subject to MAT if the country of residence of such foreign company has entered into a DTAA with India and such foreign company does not have a permanent establishment in India.

Non- resident shareholders can avail beneficial provisions of the applicable DTAA entered into by India with relevant country in which the shareholder is resident but subject to fulfilling relevant conditions and submitting the certificate referred to in sub-section (4) of section 90 of the Income Tax Act and the particulars referred to in sub-section (5) of the said section.

## **SHARES HELD AS STOCK-IN-TRADE**

If the shares are held as stock-in-trade by any of the eligible shareholders of the Company, then the gains would be characterized as business income and taxable under the head “Profits and Gains from Business or Profession”. In such a case, the provisions of Section 46A of the Income Tax Act will not apply.

### **Resident Shareholders**

- a. For individuals, HUF, AOP, BOI, profits/ gains would be taxable at slab rates.
- b. For persons other than stated in (a) above, profits/ gains would be taxable @ 30%. However, in the case of Domestic Companies where the turnover or gross receipts during the financial year 2017-18 does not exceed two hundred and fifty Crores, the rate of tax is 25%.

In addition, surcharge (at the applicable rates if the income exceeds certain limits) and health and education cess @ 4% will be applicable.

No benefit of indexation by virtue of period of holding would be available.

### **Non Resident Shareholders**

- a. Where DTAA provisions are applicable:

Non – resident shareholders can avail beneficial provisions of the applicable DTAA entered into by India with relevant country in which the shareholder is resident, but subject to fulfilling relevant conditions and submitting necessary documents prescribed under Section 90(4) and 90(5) of the Income Tax Act.

- b. Where DTAA provisions are not applicable:

- For non-resident individuals, HUF, AOP, BOI, profits/ gains would be taxable at slab rates
- For foreign companies, profits/ gains would be taxed in India @ 40%
- For other non-resident shareholders, such as foreign firms, profits/ gains would be taxed in India @ 30%.

In addition to the above, Surcharge (at applicable rates) and Health and Education Cess @ 4% are leviable.

## **TAX DEDUCTION AT SOURCE**

### **In case of Resident Shareholders**

In the absence of any specific provision under the Income Tax Act, the Company is not required to deduct tax on the consideration payable to the resident shareholders pursuant to Buyback of listed shares.

### **In case of Non – resident Shareholders**

Since the buy-back is through the stock exchange, the responsibility of discharge of the tax due on the gains (if any) is on the non-resident shareholder. It is therefore advisable for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India (either through deduction at source or otherwise) in consultation with their custodians/authorized dealers/ tax advisor/ stock broker appropriately. The non-resident shareholders must also file their tax return in India inter-alia considering gains arising on this buyback of shares in consultation with their tax advisors.

In the event, the Company is held liable for the tax liability of the Non-resident Shareholder, the same shall be to the account of the Non-resident Shareholder and to that extent the Company is entitled to be indemnified. The non-resident shareholders also undertake to provide the Company, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds arising on buyback of shares by the Company, copy of tax return filed in India, evidence of the tax paid etc.

## BUYBACK TAX

The Finance Bill (No. 2), 2019 was passed by the Parliament after which it received the assent of the President of India on August 1, 2019, and hence the Finance Act (No. 2), 2019 was enacted. In terms of Clause 36 of the Finance Act (No. 2), 2019, Section 115QA of the Income Tax Act, 1961 (“**IT Act**”) was amended to include listed companies within the purview of buyback tax (which was earlier only applicable to unlisted companies). On September 20, 2019, the President of India promulgated the Taxation Laws (Amendment) Ordinance, 2019 No 15 of 2019 (“**Ordinance**”), pursuant to which a proviso to Section 115QA of the IT Act was inserted, which reads as follows:

*“Provided that the provisions of this sub-section shall not apply to such buy-back of shares (being the shares listed on a recognised stock exchange), in respect of which public announcement has been made before 5th day of July, 2019 in accordance with the provisions of the Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 made under the Securities and Exchange Board of India Act, 1992 as amended from time to time”*

Thus, buyback tax will not be applicable on buy-back of shares by a listed company in respect of which the public announcement has been made prior to July 5, 2019.
